

The Fair Facts

TODAY'S FUN

The carnival continues to offer the discounted all-you-can-ride bracelets today (just \$32). Tonight in the Grandstand...Truck/Tractor Pulls at 7:00 p.m. Motorsports will continue through the weekend with the demolition derby on Saturday at 7:00 p.m. and Sunday at 4:00 p.m. Saturday night's show will likely reach ticket capacity so if you want to attend, be sure to purchase a ticket early. We would like to thank Casey Duncan of Duncan Produce for coordinating this year's demolition derby! Have you gotten a chance to see anything around the grounds other than your immediate area? Take a moment and stroll up to the Agriculture Building to see Jerry the Sloth and Finley the Fennec Fox. The Fennec Fox is the smallest variety of foxes and originates from Egypt. Speaking of animals...have you seen Animal Crackers around the grounds (still walkers)?

ASK US

WITH Truck and Tractor Pulls occurring tonight, will the area between Blue Gates 4 and 5 be closed?

The answer is "yes" but with that said, there are some modifications. We have a walkway set up just south of the Pepsi truck that connects you to the East Parking Lot and Campground from the gate south of the Grandstand. This will accommodate pedestrian traffic without interruption. The only inconvenience will be to those utilizing carts. Those in carts will need to wait until in between truck and tractor "pulls" before they can proceed from Blue 4 to 5 (or vice versa). Please be patient with our staff as they look out for your safety and the safety of the truck / tractor drivers. Thank you. This area will continue to be modified during the Demolition Derby on Saturday and Sunday. Those needing to access the storage trailers should try to do so well before 6:30 p.m. or plan to wait until after the Grandstand Show.

I noticed a tent set up near the North Stage that offered free vaccines yesterday. Will they be back again?

Today is the last day that the free vaccine clinic will be offered at the Interstate Fair. All three brands of vaccines are available. Those receiving their shot at the Fair today will receive a \$10 fair food voucher and a \$50 Safeway gift card. This "added benefit" to the fair guests happens AFTER they've paid admission to enter the fair...it is not a FREE admission program. Fair guests and vendors are invited to take advantage of the location convenience today and appointments are not required.

MASK UP...ITS MANDATORY

The Governor's mandate (effective 9/13/21) states that masks must be worn by those inside and outside at all events larger than 500 people.

As a reminder, you (or your company head) signed an agreement with the Fair that states in Section 15 (commercial vendors) or Section 16 (food vendors) that the "Licensee is fully aware of risks and hazards connected with the activity, including potential exposure to the COVID-19 virus and hereby agrees to comply with all Federal, State, and Spokane Regional Health District requirements."

Failure to abide by the Governor's mandate is a breach of your agreement and may result in a fine, closure of your booth, and/or exclusion from the 2022 Interstate Fair. We have all worked very hard to open the Fair this year and we need your help to keep it open. Please do your part and mask up.

THOSE THAT MAKE IT HAPPEN

A huge "THANKS" to our year-round team that has been so willing to do whatever was needed to make this year's Fair happen...you truly are amazing!

It is so hard to lose members of our Fair Family. Today we'd like to remember some of our dearest friends that have been called home over the past two years (since we missed the opportunity to say "good-bye" last year). We will hold tight to the memories we shared with them. To your family and friends, we extend our love and sympathy. Until we meet again dear friends.
