This was an emergency meeting called by the Sherriff to discuss new evidence brought to his attention in the Holyk case.

Sherriff brought in new pictures depicting a scrape, dent, and markings on the pit bumper of Deputy Bodman's patrol car. The plaintiffs have re-created the accident were Ryan's head/hat hits the pit bumper while turning from his bike back to the sidewalk in which he originated from. Dr. Carter of Origin Forensics LLC is working on the scenario and is in communication with the Sherriff about the new information. The Sherriff will keep the CAB posted on the findings and validity of this new information.
