RESOLUTION NO. 2769

A RESOLUTION of the Board of Directors of East Valley School District No. 361, Spokane County, Washington, providing for the submission to the voters of the District at a special election to be held on November 6, 2018, in conjunction with the State General Election to be held on the same date, of a proposition authorizing an excess tax levy to be made annually for two years commencing in 2018 for collection in the years 2019 and 2020 in the aggregate total amount of \$13,064,000 for the District's Capital Projects Fund to support the construction, modernization and remodeling of school facilities; designating the District's Executive Director of Business Services and special counsel to receive notice of the ballot title from the Auditor of Spokane County, Washington; and providing for other matters properly related thereto, all as more particularly set forth herein.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF EAST VALLEY SCHOOL DISTRICT NO. 361, SPOKANE COUNTY, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of East Valley School District No. 361, Spokane County, Washington (the "District"), takes note of the following facts and hereby makes the following findings and determinations:

(a) Safety and security concerns, educationally outdated school facilities and deteriorating infrastructure require the District to levy excess property taxes to support the construction, modernization and remodeling of school facilities, all as more particularly defined and described in Section 2 herein (collectively the "Projects").

(b) It appears certain that the money in the District's Capital Projects Fund for the school years 2018-2019, 2019-2020 and 2020-2021 be insufficient to permit the District to pay costs of the Projects during such school years, and that it is necessary that an excess tax levy of \$6,997,000 be made in 2018 for collection in 2019 and \$6,067,000 be made in 2019 for collection in 2020 for the District's Capital Projects Fund to provide the money required to meet those costs.

(c) The District is authorized pursuant to Article VII, Section 2(a) of the Washington Constitution and Revised Code of Washington ("RCW") 84.52.053 to submit to the District's voters at a special election, for their approval or rejection, the proposition of whether the District shall levy annual excess property taxes to pay costs of the Projects.

(d) The best interests of the District's students and other inhabitants require the District to carry out and accomplish the Projects as hereinafter provided.

Section 2. Description of the Projects. The Projects to be paid for with the excess property tax levies authorized herein are more particularly defined and described as follows:

(a) Make District-wide safety, security and infrastructure improvements, including, but not limited to: (1) acquiring, installing, upgrading and/or improving alarms, security cameras,

controls for entry/access (including, but not limited to, entryways, doors, locks and parking) and other safety and security systems; (2) upgrading and/or improving phone, clock, bell and intercom systems; (3) replacing and/or upgrading plumbing, heating, ventilation and air conditioning (“HVAC”), roofs, electrical systems and gym dividers; (4) relocating fields and grounds at East Valley High School and East Valley Middle School to accommodate Spokane County and City of Spokane Valley road construction projects; and (5) making other capital improvements, all as deemed necessary and advisable by the Board.

(b) Acquire, construct and install all necessary furniture, equipment, apparatus, accessories, fixtures and appurtenances in the foregoing, all as determined necessary and advisable by the Board.

(c) Pay incidental costs incurred in connection with carrying out and accomplishing the Projects. Such incidental costs constitute a part of the Projects and shall include, but are not limited to: (1) payments for fiscal and legal costs; (2) costs of establishing and funding accounts; (3) necessary and related engineering, architectural, planning, consulting, permitting, inspection and testing costs; (4) administrative and relocation costs; (5) site acquisition and improvement costs; (6) demolition costs; (7) costs related to demolition and/or deconstruction of existing school facilities to recycle, reclaim and repurpose all or a portion of such facilities and/or building materials; (8) costs of on and off-site utilities and road improvements; and (9) costs of other similar activities or purposes, all as determined necessary and advisable by the Board.

The Projects, or any portion or portions thereof, shall be acquired or made insofar as is practicable with available money and in such order of time as shall be determined necessary and advisable by the Board. The Board shall determine the application of available money between the various parts of the Projects so as to accomplish, as near as may be, all of the Projects. The Board shall determine the exact order, extent and specifications for the Projects. The Projects are to be more fully described in the plans and specifications to be filed with the District.

Section 3. Calling of Election. The Auditor of Spokane County, Washington, as *ex officio* Supervisor of Elections (the “Auditor”), is requested to call and conduct a special election in the manner provided by law to be held in the District on November 6, 2018, in conjunction with the State General Election to be held on the same date, for the purpose of submitting to the District’s voters, for their approval or rejection, the proposition of whether an excess property tax levy for the Capital Projects Fund shall be made annually for two years commencing in 2018 for collection in 2019 on all of the taxable property within the District of \$6,997,000, the estimated dollar rate of tax levy required to produce such an amount being \$2.20 per \$1,000 of assessed value (such assessed value representing 100% of true and fair value unless specifically provided otherwise by law), and in 2019 for collection in 2020 of \$6,067,000, the estimated dollar rate of tax levy required to produce such an amount being \$1.87 per \$1,000 of assessed value, all in excess of the maximum tax levy specified by law for school districts without voter approval. The exact tax levy rate may be adjusted based upon the actual assessed value of the taxable property within the District at the time of the levy.

Section 4. Use of Taxes. If the proposition authorized by this resolution is approved by the requisite number of voters, the District will be authorized to levy excess property taxes to pay costs of the Projects during the school years 2018-2019, 2019-2020 and 2020-2021, all as may

be authorized by law and determined necessary and advisable by the Board. Pending the receipt of those taxes, the District may issue short-term obligations pursuant to chapter 39.50 RCW or contract indebtedness pursuant to RCW 28A.530.080. Upon receipt, the District may use those taxes to repay such short-term obligations or indebtedness, all as may be authorized by law and determined necessary and advisable by the Board.

Section 5. Sufficiency of Taxes. If the excess property taxes authorized herein are more than sufficient to carry out the Projects, or should state or local circumstances require any alteration in the Projects, the District may apply such taxes to other capital purposes, or reduce or eliminate the excess property tax levies authorized herein, all as the Board may determine by resolution and as permitted by law.

If the Board shall determine that it has become impractical to accomplish the Projects or any portion thereof by reason of state or local circumstances, including changed conditions or needs, regulatory considerations, incompatible development or costs substantially in excess of those estimated, or for any other reason determined by the Board, the District shall not be required to accomplish such Projects and may apply the excess property tax levies or any portion thereof to other capital purposes of the District, or reduce or eliminate the excess property tax levies authorized herein, all as the Board may determine by resolution and as permitted by law. In the event that the excess property tax levies authorized herein, plus any other money of the District legally available therefor, are insufficient to accomplish all of the Projects, the District shall use the available money for paying the cost of that portion of the Projects that the Board determines most necessary and in the best interests of the District.

Notwithstanding anything in this resolution to the contrary, the excess property tax levies authorized herein may be used only to support the construction, modernization or remodeling of school facilities.
