

NOTICE TO OUR SEWER CUSTOMERS

MONTHLY SEWER SERVICE FEES RATE CHANGE

Effective February 1, 2022, Spokane County will implement new rates for all sewer customer types, per County Resolution 21-0894 adopted on December 14, 2021.

Customer Type	2022 Monthly Rates
Residential (reduced rate)	\$37.93
Residential	\$47.41
Duplex	\$94.82
Multifamily Dwelling Unit*	\$34.23 (*total based on number of units)
Commercial (per Equivalent Residential Unit)**	\$47.41 (**total based on water consumption and overages)

Spokane County strives to keep sewer rates as low as possible for our customers.

The monthly Sewer Service Fee provides the funding for a wide range of items, including the ongoing cleaning and inspection of sewers, collection system upgrades, preventative maintenance and repairs, scheduled equipment replacements, energy and chemical costs, emergency response, and the operation and capital costs of treatment plants.
