User Guide for the Petition for Initial Detention by Family, Guardian, Conservator, or Federally Recognized Indian Tribe

What is a Petition for Initial Detention by Family, Guardian, Conservator, or Federal Recognized Indian Tribe?

If a person 13 years of age or older has a behavioral health disorder and is a danger to themselves, others, property, or is gravely disabled, and a designated crisis responder (DCR) does not act to detain that person for evaluation and treatment or secure withdrawal management and stabilization services, then this petition allows an immediate family member, guardian, or conservator of a person, or a federally recognized Indian tribe if the person is a member of the tribe, to ask the superior court to review that DCR's decision and consider an order to detain that person for initial detention.

Who Can File A Petition for Initial Detention?

An immediate family member, guardian, or conservator of a person, or a federally recognized Indian tribe, if the person is a member of the tribe, can file such a petition with the court. The person filing the petition is called the Petitioner, and the person for whom detention and treatment is sought is called the Respondent.

How Do I File a Petition for Initial Detention?

Follow these instructions. They will: (1) tell you what facts must exist in order for you to be able to file the petition; (2) tell you how to file the petition; and (3) explain what happens after you file the petition.

Definitions

"Behavioral health disorder" means either a mental disorder, a substance use disorder, or a co-occurring mental disorder and substance use disorder.
"Mental disorder" means any organic, mental, or emotional impairment which has substantial adverse effects on a person's cognitive or volitional functions.
"Substance use disorder" means a cluster of cognitive, behavioral, and physiological symptoms indicating that an individual continues using the substance despite significant substance-related problems. The diagnosis of a substance use disorder is based on a pathological pattern of behaviors related to the use of the substance.
An immediate family member is the spouse, domestic partner, child, stepchild, parent, stepparent, grandparent, brother, or sister of the person that is the subject of the <i>Petition for Initial Detention by Family, Guardian, Conservator, or Federally Recognized Indian Tribe</i> .
A guardian is a person appointed by a court to manage someone's person or estate.
A conservator is a person appointed by a court to manage someone's daily and/or financial affairs.

“Designated crisis responder” (DCR) is a mental health professional appointed by the county, by an entity appointed by the county, or by the Washington State Health Care Authority in consultation with a federally recognized Indian tribe or after meeting and conferring with an Indian health care provider, to perform the duties specified in chapter 71.05 RCW.

1. You can file a Joel’s Law petition if:

- A. You are an immediate family member, guardian, or conservator of the person that you seek to have detained, or a federally recognized Indian tribe if the person is a member of the tribe; **and**
- B. You or someone else asked for an investigation of the person that you seek to have detained; **and**
- C. Either:
 - 1. A DCR conducted the Involuntary Treatment Act (ITA) investigation and decided not to detain the person for evaluation and treatment; **or**
 - 2. 48 hours passed since the DCR received the request for investigation and the DCR has not taken action to have the person detained; **and**
- D. You file your petition within 10 calendar days following the:
 - 1. DCR ITA investigation, **or**
 - 2. Request for investigation, if the DCR has not taken any action to have the person detained.

If it has been more than 10 calendar days, you cannot file a petition but you may request a new DCR investigation. How can you find out the date? If you ask the DCR or agency for the date of the investigation, they must give you the date to help you prepare the petition.

2. How to complete the petition:

- A. Fill out the *Petition* (the form begins following the last page of this information sheet). Provide all of the information requested, including:
 - 1. A description of the relationship between you and the person; **and**
 - 2. The date on which an investigation was requested from the DCR; **and**
 - 3. The date of the DCR investigation, if there was one.
 - 4. Fill out the *Declaration* to describe why the person should be detained (this declaration will be part of the petition once complete). For each category, check yes, no, or don’t know.
 - For each question that you answer yes, provide a description of the person’s behavior in the space provided on the form. Be as detailed as you can.
For example, you may describe a history of one or more violent acts, such as behavior that resulted in death, attempted suicide, nonfatal injuries, or substantial damage to property.

- If you have any documents that support the petition, list the documents and attach copies.
5. You must sign the petition and declaration under penalty of perjury under the laws of the State of Washington, and you must include the date when signed and place (city and state) where you signed it.

Complete the petition with as much information as you can to describe why you think the Respondent should be detained.

- B. In support of the petition, other family members, landlords, neighbors, teachers, school personnel, or anyone else with significant contact and a history of involvement with the person may also provide a declaration. They must sign their declaration under penalty of perjury under the laws of the State of Washington, and they must include the date when signed and place (city and state) where they signed it.

3. Where Do You File Your Petition?

4. What Happens After You File the Petition?

- A. Within 1 judicial day, a judicial officer (either a judge or commissioner) will review your petition and any other declarations. That judicial officer will decide whether the documents raise sufficient evidence to support your request for the detention of the person.
1. If there is not sufficient evidence, the judicial officer will dismiss your petition. You will receive a copy of the court's dismissal order.
 2. If there is sufficient evidence, the judicial officer will provide a copy of the petition to the DCR agency. The court will order the agency, within 1 judicial day, to file a written sworn statement describing the basis for the decision not to seek the initial detention. The agency must provide documents supporting its decision.
- B. After you file your petition and before the judicial officer makes a decision, anyone may file a written sworn declaration in support of, or in opposition to, your petition.
- C. The judicial officer will review all information provided to the court.
- D. No later than 5 judicial days after the date you file the petition, the judicial officer will issue a final decision.

1. If there is insufficient probable cause to support the petition, the court will deny the petition. You will receive a copy of the court's dismissal order.
2. If there is probable cause to support the petition, and the person refuses or does not accept voluntary evaluation and treatment, the court will grant the petition.
3. If the person is 18 or older, the court may issue:

Joel's Law Order

For DCR to File Petition for Assisted Outpatient Behavioral Health Treatment (ORDFAOT)

For Initial Detention (ORDTCOC)

Clerk's Action Required: 9 , 10

Basis

1. On (date) _____, a Petition was filed by an immediate family member/s, guardian, or conservator of the Respondent, or a federally recognized Indian tribe of which the Respondent is a member, for the involuntary detention of the Respondent.
2. On (date) _____, the Court found sufficient evidence to support the allegation and ordered the designated crisis responder (DCR) agency to provide a written sworn statement describing the basis for the decision not to seek initial detention and a copy of all information material to that decision within 1 judicial day.

Findings of Fact

3. Jurisdiction: The Court has jurisdiction over the person and subject matter of this action.
4. The Court has reviewed the following:
 - Petition for Initial Detention by Immediate Family Member, Guardian, Conservator, or Federally Recognized Indian Tribe.
 - Declaration/s of: _____

[] Written sworn statement of the designated crisis responder.

[] Other:

5. A review of the Petition shows that there is sufficient evidence to conclude that Petitioner is an immediate family member, the guardian, the conservator of the Respondent, or a federally recognized Indian tribe of which the Respondent is a member. A review of the Petition and all of the supporting documentation shows sufficient evidence to support the allegation/s as follows:

6. The Respondent has a behavioral health disorder history consisting of (insert facts specific to this case):

7. An immediate family member, guardian, conservator of the Respondent, or a federally recognized Indian tribe of which the Respondent is member, filed a Petition in accordance with RCW 71.05.201 or 71.34.710.

There is probable cause to order the DCR to file a petition for assisted outpatient behavioral health treatment because the Respondent, as a result of a

mental disorder substance use disorder co-occurring disorder:

has been committed by a court to detention for involuntary behavioral health treatment during the preceding 36 months;

is unlikely to voluntarily participate in outpatient treatment without an order for less restrictive alternative treatment based on a history of nonadherence with threat or in view of the Respondent's current behavior;

is likely to benefit from less restrictive alternative treatment; and/or

requires less restrictive alternative treatment to prevent a relapse, decompensation, or deterioration that is likely to result in the Respondent presenting a likelihood of serious harm or the Respondent becoming gravely disabled within a reasonably short period of time.

There is probable cause to support an order to detain the Respondent pursuant to the petition because *(check all that apply)*:

The Respondent presents a likelihood of serious harm. There is a substantial risk that the Respondent, as a result of a mental disorder substance use disorder co-occurring disorder *(check all that apply)*:

presents a likelihood of serious physical harm to themselves, as evidenced by threats or attempts to commit suicide or inflict physical harm on themselves;

presents a likelihood of serious physical harm to others, as evidenced by behavior which has caused such harm or which places another person or persons in reasonable fear of sustaining such harm;

presents a likelihood of serious physical harm to the property of others, as evidenced by behavior which has caused substantial loss or damage to the property of others;

The Respondent presents a likelihood of serious harm. The person has threatened the physical safety of another and has a history of 1 or more violent acts.

The Respondent is gravely disabled, and as a result of a

mental disorder substance use disorder co-occurring disorder *(check all that apply)*:

is in danger of serious physical harm resulting from a failure to provide for their essential human needs of health or safety.

manifests severe deterioration in routine functioning evidenced by repeated and escalating loss of cognitive or volitional control over their actions and is not receiving such care as is essential for their health or safety.

The Respondent has refused or failed to accept appropriate evaluation and treatment voluntarily.

A DCR has not filed a petition for initial detention of the Respondent under

RCW 71.05.150, 71.05.153, or 71.34.700.

Conclusions of Law

8. On the basis of the foregoing Findings of Fact, the Court makes the following Conclusions of Law:

- The Court has jurisdiction over the Respondent and subject matter of this action;
- Probable cause exists to order:
 - the DCR to file a petition for assisted outpatient behavioral health treatment (RCW 71.05.201);
 - the Respondent be detained to an evaluation and treatment facility secure withdrawal management and stabilization facility approved substance use disorder treatment program for no more than 120 hours (excluding Saturdays, Sundays, and legal holidays) of evaluation and treatment pursuant to ch. 71.05 or 71.34 RCW;
