MCAT is a mobile outreach team that provides rapid response diversionary services/resources to individuals of all ages.

We Can Help

## What is MCAT?

The Mobile Community Assertive Treatment team's primary goal is to divert individuals from inpatient psychiatric treatment. MCAT provides

- Rapid response
- Assessment services
- Crisis intervention
- Engagement
- Supportive counseling
- Information and referral
- Linkage to requested/necessary resources
- Appropriate community-based mental health and chemical dependency services

## Who does MCAT serve?

- Individuals of all ages including those who currently receive SCRSN behavioral health or chemical dependency services. There are no financial eligibility requirements to receive MCAT services.
- Individuals who have not responded well to traditional behavioral health services.

## How long do services last?

- Up to 60 days or longer if needed.

## Hours of operation

The MCAT team is available Monday-Friday, 8 a.m. to 11 p.m., and Saturday and Sunday from 8 a.m. to 7 p.m. MCAT is closed on holidays. After normal MCAT hours, contact Crisis Response Services at 509.838.4651. Crisis intervention professionals are available 24-hours a day.

Priority for referrals will be given to law enforcement, Crisis Response Services, emergency departments, fire departments, Community Court, Spokane County Jail, and Juvenile Detention.
