

Completely fill in the oval to the left of your choice. Use a dark blue or black pen. Voting for more than one candidate will be an overvote and no votes for this ballot will be counted. To vote for a candidate whose name is not printed on the ballot, write the name on the line provided and fill in the oval.

If you make a correction or mismatch your ballot, draw a line through the entire response. You then have the option of making another choice. In order for your ballot to be counted, it must either be postmarked or deposited at a designated deposit site no later than 8:00 p.m. on Election Day (March 10, 2020).
