Clerks action required (Effect.Date: _____)

This matter came before the Court pursuant to RCW 9.94A.637. The court considered the petition and any supporting material submitted and reviewed the relevant court records.

The court received notification from the county clerk that the defendant has paid all ordered legal financial obligations and finds that the defendant has provided adequate verification of completion of the requirements of the sentence, and there appears to be no reason why the court should not discharge the defendant. Therefore,

The court orders that this document be considered a satisfaction of judgment entered under this cause number and that the defendant be **discharged** from the confinement and supervision of the Secretary of the Department of Corrections.

The court orders that this discharge restores the defendant's civil rights not already restored by RCW 29A.08.520. This certificate of discharge:

- is not based on a finding of rehabilitation and does not restore the right to ship, transport, possess or receive firearms or ammunition.
- does not terminate any obligation to register as a sex or kidnapping offender.
- does not terminate any obligation to comply with a no-contact order that excludes or prohibits the defendant from having contact with a specified person or coming within a set distance of any specified location. Any no-contact order filed separately from the judgment and sentence remains in effect.

[] The defendant is subject to a no-contact order that was imposed as a part of the judgment and sentence in this case and was not filed separately. This certificate of discharge is valid and effective only upon entry of a separate civil no-contact order with terms and conditions identical to those imposed in the judgment and sentence in this case. The court orders the defendant to comply with the separate no-contact order reissued under a new cause number on this date or dated _____.
