**PLEASE BRING YOUR FLASH DRIVE TO OUR
DECEMBER MEETING TO TURN BACK IN.**

Russ had two questions from his review of the case:

- Was the 29 seconds of Taser from the deputy appropriate?
 - Undersheriff's response, that he believed it does not go against policy, but he will confirm taser time limit with the SME.
- Was the excited delirium protocol regarding EMS/ALS staging used?
 - After looking back through the case JT found that EMS was staged prior to the incident.
