

Spokane County is changing: Our population is growing and so is our Board of County Commissioners. In 2022 we will be represented by five county commissioners—an increase of two. New County Commissioners for the new districts will be elected in the 2022 election cycle by a district-wide vote, instead of county-wide votes, so each commissioner is elected by the district they represent rather than the county at large.

**Tell us about your Communities and why representation is important to you.
Attend a public meeting and share your input!**
