

Spokane County
DUI Court Program
Orientation Phase Test

The following is a True/False test that you must complete during the Orientation and Assessment Phase of the DUI Court program. Many of these answers can be found in your Participant's Handbook; however, some are not in the handbook. You are expected to find the answers through your own research. You may seek answers by asking members of the DUI Court team such as your Judge, Probation Officer, Prosecutor or Public Defender, and you may also seek answers from other participants in the program. When you are ready to request advancement into Phase II, you must first review the correct answers of this test with your Probation Officer.

Instructions: Read each of the following statements. Circle "T" for True and "F" for False for each of the statements based on your research. Once completed, review your answers with your Probation Officer.

1. T F I may use over-the-counter medication as long as it doesn't contain alcohol
